Subject: Emergency Change of Polling Location for June 11 & June 25

Good morning,

I wanted to let you know that we have had an emergency change of polling location for 120 Griffin precinct. Due to the unavailability of Griffin Baptist Church, for the June 11th and June 25th elections this precinct will be voting at Dacusville Community Center, 2671 Earls Bridge Rd, Easley.

This information has been posted on our website (PickensElections.org) and on the SEC's website (SCVotes.gov), and we will place signs at Griffin Baptist Church notifying voters that the location has been temporarily moved.

Please let me know if you have any questions.

Kindest regards,
Amy
